

# The Gentleman's Rifle

USFA does it again. Rebuilding a Legend after 100 years

Originally produced from 1884 to 1904, the Lightning Magazine Rifle was a dramatic innovation in breach loading firearms. The New USFA Deluxe Grade Lightning is an innovation in manufacturing. One that integrates advances in metallurgy: the precision of CNC machining and the craftsmanship of hand assembly.

*Rifle shown above: Engraved  
Exhibition Model, MSRP \$4195.00*

The New USFA Lightning with Armory Blue frame and either deluxe or exhibition grade walnut is available with

a 26" round, half round or octagonal barrel with original crescent butt, with optional pistol grip crescent butt or "Prince of Wales" shotgun butt (shown). Full nickel or nickel frame and Dome Blue barrel are options. Available in .45 Colt, .44 WCF, and .38 WCF. For more information, see your USFA dealer, call 1-860-296-7441, or visit our website [www.usfirearms.com](http://www.usfirearms.com). 100% American made by U.S. Fire Arms Mfg. Co.
